RE: 2011-2014 USTP TIP Amendment
St. Joe Hwy – Canal to I-96 Bridge

Dear Mr. Hamilton:

We are requesting a TIP amendment for the 2012 USTP project on St. Joe Highway from Canal Road to the I-96 bridge. To meet the air quality model and allow us to construct this project with the 2012 CMAQ project at the St. Joe Hwy and Broadbent Rd. intersection, we are requesting the project description and limits be changed to the following:

St. Joe Highway – Marketplace Blvd. to Broadbent Rd., reconstruct with curb and gutter, left turn lanes, and bicycle lanes

We are not requesting a change in the funding amounts. If you have any questions or need any additional information, please call me at 517-543-1630 ext. 207.

Sincerely,

To Whom It May Concern:

As you are aware, the City of Potterville receives STP funding through the Charlotte-Potterville Small Urban Area. The current TIP for TCRPC has Potterville scheduled to receive funding for Main Street in the 2013 fiscal year. Because reconstruction of Main Street is already underway, the City formally requests that the 2013 funding be changed from Main Street to Dunbar Street, another federal aid street in the City that is already on the list.

Please feel free to contact me with any questions at 517-645-7641 ext 204 or by cell at 517-983-3092.

Sincerely,

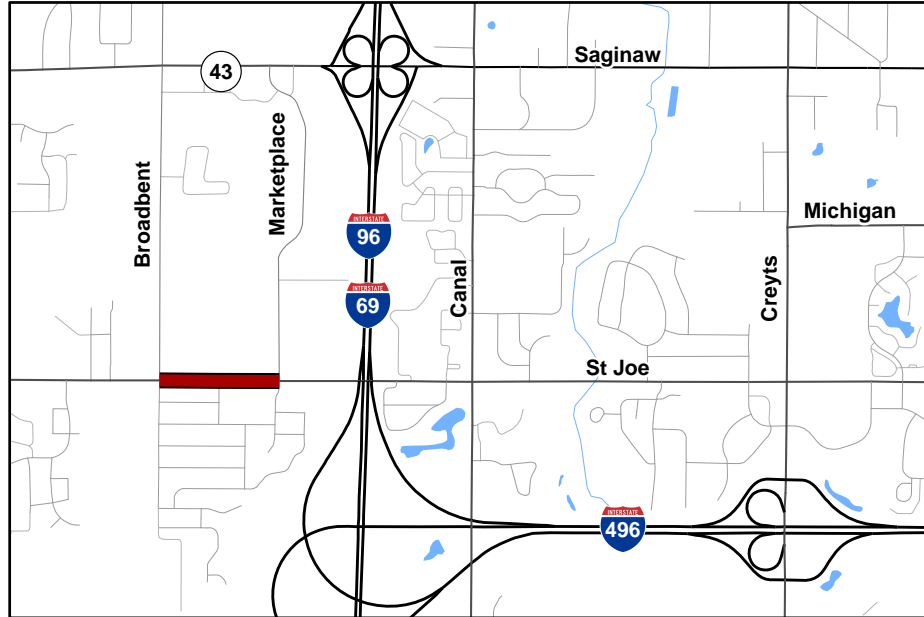

Wanda Darrow
City Manager
