Proposed Agenda

- ACTION I. Call to Order/Introductions/Minutes/Public Comment
Minutes of the October 4, 2011 meeting are enclosed.
- ACTION II. Proposed TIP and Illustrative List Amendments
- A. Eaton County – St. Joseph Project (enclosure): A request is enclosed to change the project description and scope for their 2012 St. Joseph project (Canal to the I-96 Bridge) to instead be from Marketplace to Broadbent in conjunction with their CMAQ project and with no change in funds.
 - B. Potterville – (corrected) Illustrative Clarification (enclosure): A request is enclosed from the City of Potterville which erroneously cites a 2013 project on Main Street and requests a change in projects. In fact, Potterville's next project is on the Illustrative List and their next slot in the rotation is not scheduled until 2015.
 - C. Administrative Changes: Staff will brief the Committee.
 - D. TIP Amendment Schedule Revisions: MDOT recently made some adjustments to the TIP Amendment schedule to provide final approval of amendments for 2012 by FHWA in August, rather than September. A revised schedule will be distributed for your review and information.
- III. Tentative Call for Revised 2013-14 projects: Staff will brief the Committee.
- IV. Network Update: Staff will brief the Committee.
- V. Staff Reports: Office Move; Meeting Schedule for December; HPMS.
- VI. Other/Adjourn
